STEPPING OUT

By Richard Harris

17th, 18th & 21st - 25th September 2021
Streetly Community Centre, Foley Road East

This amateur production is presented by special arrangement with SAMUEL FRENCH LTD a Concord Theatricals Company.

Former professional dancer Mavis now makes a living teaching classes in her local village hall. Her tap class students stumble along each week with varying degrees of success, but have to up their game when they are invited to perform in their very first public recital. Before the dancing can begin however Mavis must navigate the many minor dramas that her students bring in from their daily lives. *Stepping Out* is a heart-warming, hilarious comedy of friendship and footwork! The popular film of the same name starred Liza Minelli, Julie Walters and Shelley Winters.
